Additional Info: Cambria, Ca is a Rural Central California Coastal Retirement Community, our response area consists of 810 square miles of rugged California Coastline. The average call volume consists of 2-3 calls per day. We are looking for seasoned paramedic who might be tired of running 10+ calls a shift, and are looking for a change of pace. Our transports average 30 to 90 minutes, depending on the location of the call. This is not a position for someone fresh out of Paramedic School looking to have call busy shifts. We also provide support services for our local fire department at structure, wildland, and other large scale or time-consuming incidents. Should you have any further questions, please visit the web pages or use the contact information listed below.
